 - (b) under Clause 4.17(b), SCC shall arrange for redelivery of the undelivered Products at no extra cost to the Customer within a reasonable time.
- 4.20 SCC shall use reasonable endeavours to ensure that delivery of Products is on time, however, delivery dates are always subject to change and are given by the relevant Third Party Vendor and SCC as estimates only, without being binding on SCC. The time of delivery will not be of the essence in relation to any such delivery dates given by SCC to the Customer.
- 4.21 If the Customer fails to take delivery of any of the Products when they are ready for delivery or to provide any instructions, documents, licences or authorisations required to enable the Products to be delivered on time (except solely on account of SCC's default), the Products will be deemed to have been delivered or performed on the due date and (without prejudice to its other rights) SCC may:

- 15.5 The Customer acknowledges that for certain elements of the Services SCC is reliant on arrangements made between SCC and third party suppliers and contractors who may change their costs to SCC from time to time. Consequently SCC shall be entitled to increase or decrease the Charges at any time to reflect such changes in costs payable by SCC to those third parties including but not limited to where SCC's supplier of electricity, telecommunications or software that SCC uses as part of its Service delivery increases or decreases its charges to SCC. In such circumstances, and subject to SCC providing the Customer with reasonable evidence of such changes, SCC shall have the right to change its corresponding Charges to the Customer on 30 days' notice. In respect of software, telecommunications or other changes the Charges shall be increased or decreased proportionately in line with the change received from the 3rd party supplier or contractor, and changes to electricity charges shall be calculated as follows:
- [Revised electricity Charge (KW/h) x 1.91 (power to cooling ratio)] + 10% Administration fee
- 15.6 Without prejudice to Clause 15.4 and 15.5, provided that SCC provides the Customer with no less than thirty (30) days' prior written notice of its intention to do so, SCC shall be entitled to increase the relevant Charges on any day after expiry of the Initial Services Term (the "**Increase Date**"). If the Customer elects not to accept such increase, the Customer may terminate the relevant Order at the end of the Initial Services Term on no less than thirty (30) days' written notice.
- 15.7 For the avoidance of doubt the Customer's termination right detailed in Clause 15.6 shall not apply

to any increases to the Charges made in accordance with Clauses 15.4 or 15.5.

- 15.8 If an Order (or part thereof) is terminated in accordance with the terms of the Order, or if delivery and/or access cannot be provided or Services are suspended, in each case, as a result of a failure by the Customer, SCC shall be entitled (in addition to any other rights it may have) to be paid on a quantum meruit basis for any work completed by it, or for that part of the Services performed. SCC may invoice the Customer accordingly and such invoice shall be immediately due for payment.
- 15.9 Where at the request of the Customer any work to provide the Services is done at any time which is not during the Hours of Support for that particular part of the Services, unless otherwise agreed the Customer shall pay a charge for such work calculated at SCC's then current standard hourly rate, provided such charges are advised to and approved by the Customer prior to such works being carried out.

16 INVOICING AND PAYMENT

- 16.1 SCC may issue an invoice for the Charges relating to the Services in accordance with the timescales specified in the relevant Order.
- 16.2 The Customer shall pay all invoices within thirty (30) days of the date of such invoice. No payment will be deemed to have been received until SCC has received full and cleared funds.
- 16.3 All sums payable under an Order:
- (a) are exclusive of VAT or any other applicable tax or duty which (where applicable) shall be paid by the Customer in addition at the rate and in the manner prevailing at the relevant tax point and will become due immediately upon termination of an Order (as applicable); and
 - (b) shall be in Pounds Sterling to SCC's bank account as SCC may from time to time notify the Customer.
- 16.4 All payments to be made by the Customer under an Order will be made in full and without any set-off, restriction or condition and without any deduction or withholding for or on account of any counterclaim or any present or future taxes, levies, duties, charges, fees, deductions or withholdings of any nature, unless the Customer is required by law to make any such deduction or withholding.
- 16.5 SCC shall be entitled to impose a credit limit on the Customer and/or require payment of an increased security deposit and on written notice to the Customer may suspend or withhold any Services (or the delivery of any Products) in excess of the credit limit or security deposit, in the event that the Customer:
- (a) suffers a material and negative change in its financial or trading condition or in its credit rating; and/or
 - (b) fails to make payment of any undisputed invoiced amounts in cleared funds within thirty (30) days of SCC's notification of non-payment.
- 16.6 SCC will be entitled to appoint a debt collection agency registered with the Financial Conduct Authority (FCA) for recovery of outstanding undisputed payments which have not been paid within 30 (thirty) days of written notice from SCC stating that such payments are overdue. In this event, the Customer agrees that additional charges will be levied to cover the costs of the debt collection agency.
- 16.7 In the event that the Customer reasonably disputes an invoice in good faith:
- (a) the Customer shall immediately notify SCC in writing explaining why in good faith it disputes the Charges set out on the invoice and pay the undisputed portion of such invoice in accordance with the terms of this Framework Agreement; and
 - (b) the Parties shall meet to resolve such dispute in good faith, escalating the dispute where appropriate in accordance with the Dispute Resolution Procedure and continue to perform their respective obligations under this Framework Agreement and the affected Order while any dispute is being resolved, unless and until such obligations are terminated by the termination or expiration of this Framework Agreement and/or the affected Order.
- 16.8 If any sum payable under an Order which is not the subject of a good faith dispute is not paid by the due date, then without prejudice to SCC's other rights and remedies, SCC reserves the right to:
- (a) charge interest on such sum on a day to day basis (after as well as before any judgment) from the date or last date for payment thereof to the date of actual payment (both dates inclusive) at

the rate of four percent (4%) per annum over HSBC's base rate from time to time in force. Such interest shall be paid on demand by the Customer; or

- (b) suspend provision of the Services (or delivery of the Products) under such affected Order until payment has been received in full pursuant to Clause 18.5(a).

16.9 If the Services are performed in phases, SCC reserves the right to invoice each phase as and when the performance of a phase commences or as otherwise specified in an Order, and in each case, payment shall be due in accordance with Clause 16.2, notwithstanding the non-performance of other phases under such Order or fulfilment of the entire Order.

17 LIABILITY

17.1 This Clause 17 sets out the total liability of each Party in respect of or in connection with its obligations under this Framework Agreement and each Order.

17.2 Nothing in this Framework Agreement or an Order shall exclude or limit either Party's liability for:

- (a) death or personal injury caused by negligence;
- (b) fraud or fraudulent misrepresentation;
- (c) the indemnity in Clause 14 (Indemnity); or
- (d) any liability which cannot legally be excluded or limited.

17.3 Nothing in this Framework Agreement or any Order shall operate to exclude or limit the Customer's liability to SCC for any Charges which are properly due and owing under an Order.

17.4 Subject to Clauses 17.2, 17.3, and 17.5, each Party's total maximum aggregate liability to the other Party:

- (a) arising under or in connection with each individual Order for Services in any Order Year, whether in contract, tort (including negligence) or otherwise shall, subject to Clause 17.3(b), not exceed one hundred per cent (100%) of the total Charges paid or payable under the Order in that Order Year in respect of Services (and excluding any sum paid or payable for Products supplied under the Order concerned); and
- (b) when aggregated as a whole under or in connection with this Framework Agreement (as a total available liability sum regardless of the number of Orders and not individually for each Order) and whether in contract, tort (including negligence) or otherwise, shall not exceed two million pounds (£2,000,000).

17.5 Subject to Clauses 17.2 and 17.6, SCC's total liability to the Customer in respect of the supply of any Products shall not exceed the Charges paid or payable by the Customer for the Product which is the subject matter of the claim or event giving rise to the liability.

17.6 Subject to Clause 17.2, in no event shall SCC be liable, whether in contract, tort (including negligence or breach of statutory duty), misrepresentation or otherwise in connection with this Framework Agreement or an Order for any:

- (a) loss of profits, loss of business, loss of revenue, loss of contract, loss of goodwill, loss of anticipated earnings or savings in each case whether direct or indirect; or
- (b) indirect, special or consequential loss or damage, howsoever arising.

17.7 The Customer acknowledges that SCC may not have visibility or knowledge of the specific quantity or value of any data processed by or provided by the Customer or its customers in connection with or in utilising any of the Services provided by SCC under a particular Order. Unless otherwise specified in an Order, the Customer shall therefore be responsible for taking all steps it requires to mitigate the risks or effects of data loss or corruption inherent in the provision of any particular Services (including encryption of Customer Equipment or any other devices provided to SCC in connection with the Services and backing up all of its or its customers data in each case in accordance with good industry practice wherever required). The Customer agrees that the only Services that SCC has agreed to provide to assist the Customer to mitigate the potential loss of or corruption of data will be limited exclusively to those expressly set out in a particular Order and provided for the Services in that Order only (where agreed). The Customer also agrees that, where SCC has expressly agreed to provide back-ups of data as part of the Services provided under a particular Order, SCC shall not be liable to the Customer or any other person in any circumstances for loss of or corruption of any data to the extent that the data has changed since the time that SCC

was last required to perform a backup pursuant to the particular Order concerned. SCC shall have no liability for loss of or unauthorised disclosure of data, other than to the extent caused by SCC's negligence or wilful default, in circumstances in which any Customer Equipment or any other devices provided to SCC in connection with the Services have not been encrypted in accordance with good industry practice or had data removed by the Customer from the Customer Equipment or any other devices prior to providing the applicable Customer Equipment or device to SCC.

- 17.8 The Customer acknowledges and accepts that each Customer Party shall have no direct recourse and shall bring no claim directly against SCC with respect to any liability or obligations in connection with this Framework Agreement or an Order, other than through the Customer who shall make any and all such claims on the Customer Party's behalf. Nothing in this Framework Agreement shall affect the right of the Customer to bring a claim against SCC on behalf of the Customer Party under this Framework Agreement or an Order.

18 TERMINATION

Framework Agreement

- 18.1 Either Party may immediately terminate this Framework Agreement by giving notice in writing to the other Party:
- (a) in accordance with the provisions of Clause 22.3 (Force Majeure);
 - (b) if the other Party is affected by an Insolvency Event; or
 - (c) if the other Party is in material breach of the Framework Agreement which:
 - (i) is incapable of remedy; or
 - (ii) is capable of remedy, but the other Party has failed to remedy such breach within thirty (30) days of receipt of the written notice requiring it to do so.
- 18.2 In addition to its rights under Clause 18.1, SCC may immediately terminate this Framework Agreement and all then current Orders by giving notice in writing to the Customer if:
- (a) SCC has the right to terminate more than one Order in accordance with the provisions of Clause 18.3; or
 - (b) the Customer undergoes a change of Control (save for the purpose of a solvent voluntary reconstruction or amalgamation).

Orders

- 18.3 Either Party may immediately terminate an Order by giving notice in writing to the other Party, if the other Party:
- (a) is affected by an Insolvency Event;
 - (b) is affected by a Force Majeure Event in accordance with the provisions of Clause 22.3 (Force Majeure); or
 - (c) commits a material breach of the relevant Order which is:
 - (i) incapable of remedy; or
 - (ii) capable of remedy, but fails to remedy it or persists in such breach after thirty (30) days of having been required in writing to remedy or desist.
- 18.4 In addition to its rights under Clause 18.3:
- (a) SCC may immediately terminate an Order for the Customer's failure to pay the Charges in accordance with Clause 16 (Invoicing and Payment); and
 - (b) the Customer may terminate an Order in accordance with Clause 15.6 (Charges).

Suspension

- 18.5 Without prejudice to its other rights or remedies hereunder or generally at law, SCC may at its sole discretion suspend provision of the Services or Products or any part thereof without liability to the Customer immediately on written notice where:
- (a) the Customer has failed to pay the Charges in accordance with Clause 16 (Invoicing and Payment); and

- (b) SCC has a right to terminate this Framework Agreement or an Order, irrespective of whether it has exercised such right.

Such suspension will not entitle the Customer to terminate the Framework Agreement or Order and will not suspend or alleviate any of the Customer Obligations.

19 CONSEQUENCES OF TERMINATION

Termination of Framework Agreement

- 19.1 Subject to Clause 18.2(a) (Termination), termination of this Framework Agreement shall not terminate any Order then in force, unless the Parties agree otherwise in writing at the relevant time.
- 19.2 On termination of this Framework Agreement for any reason whatsoever:
 - (a) no further Orders shall be entered into; and
 - (b) Clause 1 (Definitions and Interpretation), Clause 13 (Intellectual Property Rights), Clause 14 (Indemnity), Clause 16 (Invoicing and Payment), Clause 17 (Liability), Clause 19 (Consequences of Termination), Clause 20 (Confidentiality), Clause 21 (Data Protection), Clause **Error! Reference source not found.** (General) and any other provision which expressly or by implication is intended to come into or remain in force on or after termination, shall continue in full force and effect.
- 19.3 Termination of an Order in whole or part shall not affect any other Order or this Framework Agreement.

Termination of Orders

- 19.4 On termination of an Order:
 - (a) subject to Clause 19.4(b), each of the Parties shall immediately return to the other Party (or, if the other Party so requests by notice in writing, destroy) all of the other Party's property in its possession at the date of termination, including all of its Confidential Information, together with all copies of such Confidential Information, and shall make no further use of such Confidential Information;
 - (b) if a Party is required by any law, regulation or government or regulatory body to retain any documents or materials which it would otherwise be required to return or destroy by Clause 19.4(a), it shall notify the other Party in writing of such retention, giving details of the documents or materials that it must retain;
 - (c) where SCC is providing Services, the Customer shall cease to make use of the relevant Services and return to SCC any equipment owned by or on behalf of SCC and kept at the Customer Site to deliver the Services. If the Customer does not promptly return such equipment to SCC, it shall permit SCC or any nominated representative of SCC to enter the Customer Site during any Business Day, upon reasonable notice, for the purpose of removing any such equipment; and
 - (d) all sums payable to SCC under the relevant Order shall become due and payable immediately on receipt of SCC's invoice and SCC may submit invoices for any Services that it has supplied but for which no invoice has previously been submitted, and the Customer shall pay these invoices immediately on receipt.
- 19.5 Reference to termination of an Order in part in this Clause 19 means termination of the Services under one or more Service Annexes or termination of the supply of Products. If a Party elects to terminate an Order in part then such termination shall not affect the provision of the Services that have not been terminated except that SCC may adjust the Charges payable under the Order for the Services that have not been terminated.
- 19.6 Termination of this Framework Agreement or an Order in whole or part shall be without prejudice to the rights and remedies of either Party which may have accrued up to the date of termination of this Framework Agreement or the Order (as applicable).

Exit Assistance

- 19.7 Unless specified in an Order, no exit assistance shall be provided except as agreed pursuant to the remainder of this Clause 19.7. If an Order is terminated for any reason and such Order does not expressly specify exit assistance being provided on termination, the Customer may request SCC to provide exit assistance. The provision of such exit assistance shall be subject to the Parties agreeing

a separate Order, clearly defining each Party's obligations in respect of the transfer of the responsibility for the provision of the relevant Services to the Customer or, at the Customer's request, to another supplier and the Charges for the provision of such exit assistance.

20 CONFIDENTIALITY

- 20.1 Each Party (the "**Recipient**") shall keep and procure to be kept confidential all Confidential Information belonging to the other Party (the "**Discloser**") disclosed or obtained as a result of the relationship of the Parties under this Framework Agreement or an Order. The Recipient shall not use nor disclose the Discloser's Confidential Information save for the purposes of the proper performance of this Framework Agreement or an Order, with the prior written consent of the other Party, or as set out in Clause 20.3.
- 20.2 The Recipient may only disclose the Discloser's Confidential Information to an employee, consultant, supplier, member of its Group, subcontractor or agent (each a "**Permitted Recipient**") to the extent necessary for the performance of this Framework Agreement or an Order, provided such disclosure is subject to obligations equivalent to those set out in this Clause 20. The Recipient shall procure that any such Permitted Recipient complies with such obligations and be responsible to the Discloser in respect of any disclosure or use of such Confidential Information by a Permitted Recipient.
- 20.3 A Party may disclose the other Party's Confidential Information to the maximum extent it is compelled to do so by a court or competent regulatory body, and in which case that Party shall give the other Party as prompt notice as possible of the relevant order of disclosure to the extent permitted by applicable law.

21 DATA PROTECTION

- 21.1 In this Clause 21, the terms "Controller", "Personal Data", "Processor", "Processing" and "Data Subject" have the meanings given to them in the Data Protection Legislation.
- 21.2 The provisions set out in this clause 21 shall apply in respect of any circumstances in which the Customer is a Controller and SCC is a Processor in relation to Personal Data processed by SCC for the Customer pursuant to this Framework Agreement or an Order. The Parties acknowledge and agree that for the purposes of the Data Protection Legislation, where SCC Processes any of the Customer's or its Affiliates' Personal Data on behalf of the Customer or its Affiliates in connection with any Services, this Framework Agreement or any Order then the Customer shall be the Controller of such Personal Data and SCC shall be the Processor.
- 21.3 Both Parties will comply with all applicable requirements of the Data Protection Legislation. This Clause 21 is in addition to, and does not relieve, remove or replace, a Party's obligations or rights under the Data Protection Legislation.
- 21.4 The Personal Data which could be Processed by SCC in performing the Services (including where the Processing is related to the storage and transfer of data used by the Customer in the course of carrying on its business within its equipment, systems or applications which SCC services, hosts or provides compute infrastructure for) will be specified in the Order or, where not so specified, could relate to any individual anywhere in the world with whom the Customer and its users are communicating, doing business, providing a service to, employing (either potentially or historically) and anyone related to such individuals or other individuals. Unless specified in a particular Order, the Personal Data could be any type of personal data or special category of sensitive Personal Data that is Processed in connection with such systems, equipment or applications or on emails, information or other documents sent to or from the Customer or its users or created by them, all as determined by the Customer or the Customer's users. The Personal Data will be Processed for the duration of this Framework Agreement or the relevant Order. Where the Customer requests, the Parties may agree to set out in an individual Order the specific subject matter and duration, nature and purpose of particular Processing activities under that Order and the type of personal data being Processed and the specific categories of data subjects concerned.
- 21.5 The Customer shall:
- (a) ensure it has all necessary authority to Process Personal Data and to disclose or make available such Personal Data to SCC and to allow SCC to conduct the relevant Processing activities required in order to provide the Services for the Customer in each case in accordance with all applicable Data Protection Legislation;
 - (b) be responsible for ensuring that appropriate technical and organisational measures are in place for all Personal Data Processed within the Customer's IT environment by the Customer and

SCC. The Parties agree that it is not appropriate for SCC to be responsible for determining appropriate technical and organisational measures related to the Customer's IT environment wherever it may be located unless the implementation of such measures are within the scope of the Services to be provided by SCC.

21.6 The Customer acknowledges and agrees that, taking into account the nature, scope, context and purposes of the processing of Personal Data that may be carried out by SCC in the course of the provision of the Services provided under an Order, it is not appropriate for SCC to implement and SCC shall not implement, unless expressly agreed by SCC in an Order or via the Change Control Procedure, specific back-up, pseudonymisation or encryption measures in respect of Personal Data Processed by SCC when performing the Services.

21.7 SCC shall:

- (a) Process the Personal Data only on the documented instructions of the Customer as set out in this Framework Agreement or an Order, in order to perform its obligations under this Framework Agreement or an Order and shall ensure it takes all appropriate steps to ensure that its personnel only Process Personal Data on documented instructions from the Customer as set out in this Framework Agreement or an Order, unless required to do otherwise by applicable law;
- (b) ensure that its personnel who are authorised to Process Personal Data are under obligations of confidentiality that are enforceable by SCC;
- (c) take all measures required pursuant to Article 32 of the EU GDPR (or the equivalent in the UK GDPR);
- (d) on request, assist the Customer at the Customer's reasonable cost (such costs to be agreed in advance (in writing)), by appropriate technical and organisational measures, insofar as this is possible, for the fulfilment of the Data Controller's obligation to respond to requests for exercising the data subject's rights under Chapter III of the EU GDPR (or the equivalent in the UK GDPR) through the use of appropriate technical and organisational measures;
- (e) on request, reasonably assist the Customer in ensuring compliance with its obligations pursuant to Articles 32-36 of EU GDPR (or the equivalent in the UK GDPR) taking into account the nature of the Processing and the information available to SCC;
- (f) at the written election of the Customer, either delete or return the Personal Data (including all copies of it) at any time upon request by the Customer or promptly upon termination or expiry of the applicable Order; and
- (g) make available to the Customer all information necessary to demonstrate compliance with the obligations in Article 28 of the EU GDPR (or the equivalent in the UK GDPR) and allow for and contribute to audits, including inspections, conducted by the Data Controller or another auditor mandated by the Data Controller.

21.8 The Customer consents to the Processing of Personal Data by SCC's Affiliate companies:

- (a) SCC Services Romania SRL (registry number J22/823/2006 and fiscal code 18544528) whose registered office is at Niciman Street 2, 700521 Iasi, Jud, Iasi, Romania, for the purpose of assisting SCC with any Services sub-contracted by SCC to SCC Romania; and
- (b) Specialist Computer Centres Vietnam Company Limited ("**SCC Vietnam**") for the purpose of providing out of hours support to SCC or for assisting SCC with other Services sub-contracted by SCC to SCC Vietnam, in each case, on the terms located at the following hyperlink <https://www.scc.com/wp-content/uploads/2023/03/Data-Exporter-Agreement-SCC-Vietnam-2.docx> (the "**Model Clauses**"). The Model Clauses (including the fully populated appendices 1 to 2 within such Model Clauses) are incorporated into this Framework Agreement by reference and the Parties shall comply with the Model Clauses. SCC is agreeing those Model Clauses in its capacity as agent acting on behalf of SCC Vietnam.
- (c) SCC shall not otherwise Process or transfer Personal Data outside of the area comprising the European Economic Area and the United Kingdom or to a country without a valid finding of adequacy under the Data Protection Legislation without the prior written consent of the Customer, (and where consent is given such consent will be set out in the applicable Order) and without putting in place an adequate level of protection and appropriate safeguards in relation to the transfer of the Personal Data to enable compliance by the Customer and SCC with their obligations under applicable Data Protection Legislation. Prior to any such further

transfer or Processing of Personal Data outside of the area comprising the European Economic Area or the United Kingdom or to a country without a valid finding of adequacy under the Data Protection Legislation, the Customer and SCC shall ensure that appropriate safeguards are in place as required under the Data Protection Legislation and otherwise comply with the requirements of the Data Protection Legislation.

- 21.9 The Customer consents to the appointment by SCC of sub-Processors as necessary for SCC to provide the Services provided SCC and such sub-Processor comply with the Data Protection Legislation. SCC shall remain fully liable for all acts or omissions of any sub-Processor.
- 21.10 The Parties acknowledge and agree that where any amendments to this Clause 21 are necessary to ensure that either Party is compliant with the Data Protection Legislation then the Parties shall promptly work together to make such amendments as are reasonably necessary and neither Party shall unreasonably withhold or delay its agreement to any such amendments.

22 FORCE MAJEURE

- 22.1 A Party will not be deemed to be in breach of this Framework Agreement or the affected Order nor liable for any failure or delay in performance of any of its obligations (except for those in relation to payment) under this Framework Agreement or the affected Order (and the date for performance of the obligations, including in the case of SCC the obligation to provide the Services, affected by Force Majeure will be extended or suspended as appropriate) as a result of Force Majeure, provided that such Party complies with the obligations set out in this Clause 22. Save as provided in Clause 22.2, a Force Majeure event will not entitle either Party to terminate this Framework Agreement or the affected Order.
- 22.2 The Party affected by Force Majeure shall: (a) as soon as reasonably practicable after becoming aware of the Force Majeure notify the other Party in writing of the matters constituting the Force Majeure, specifying the nature and extent of the Force Majeure; (b) use its reasonable endeavours to bring the Force Majeure event to an end and, whilst the Force Majeure is continuing, mitigate its severity (without being obliged to incur any expenditure); and (c) keep that Party fully informed of their continuance and of any relevant change of circumstances whilst such Force Majeure event continues.
- 22.3 If Force Majeure continues to affect a Party's performance of its obligations under this Framework Agreement or an Order for longer than three (3) month, the other Party may, whilst the Force Majeure continues terminate this Framework Agreement or the affected Order by giving notice (in writing) to the affected Party on a date to be specified in that notice and which must not be less than fifteen (15) calendar days after the date on which such notice is given.

23 GENERAL

23.1 Entire Agreement:

- (a) Regarding each particular Order, this Framework Agreement and that Order and the documents referenced within this Framework Agreement and that Order contain the entire agreement between the Parties in relation to the subject matter of that Order and supersede any prior arrangement, understanding written or oral agreements between the Parties in relation to such subject matter. Neither this Framework Agreement nor any Order has been entered into wholly or partly in reliance on, nor has either Party been given, any warranty, statement, promise or representation by the other or on its behalf other than as expressly set out in this Framework Agreement and the relevant Order.
- (b) Each Party agrees that the only rights and remedies available to it arising out of or in connection with any warranties, statements, promises or representations will be for breach of contract and irrevocably and unconditionally waives any right it may have to any claim, rights or remedies including any right to rescind this Framework Agreement or the relevant Order which it might otherwise have had in relation to them.
- (c) Nothing in this Clause 23.1 will exclude either Party's liability in respect of misrepresentations made fraudulently.
- (d) The provisions of this Framework Agreement and any Orders, and where applicable Service Specific Terms and Special Terms (in each case as may be amended from time to time in accordance with their terms) are the only terms and conditions which the Parties have agreed

will apply in relation to the subject matter of this Framework Agreement and each Order. No terms or conditions endorsed upon, delivered with or contained in any Customer documentation will form part of this Framework Agreement or an Order, unless specifically agreed in advance, in writing by SCC with reference to this Clause 23.1(e).

- 23.2 **Exclusions:** Except as otherwise specifically provided in this Framework Agreement or an Order, each Party hereby excludes to the fullest extent permissible in law, all conditions, warranties and stipulations, express (other than those set out in this Framework Agreement or an Order) or implied, statutory, customary or otherwise which, but for such exclusion, would or might subsist in favour of the other Party.
- 23.3 Save that SCC may assign the right to receive payment of the Charges without consent, neither Party may at any time otherwise assign, transfer, charge or otherwise dispose of all or any of its rights and responsibilities under this Framework Agreement or an Order without the prior written consent of the other Party, such consent not to be unreasonably withheld or delayed.
- 23.4 SCC may subcontract any or all of its rights and obligations under an Order as SCC, in its absolute discretion, sees fit provided that such sub-contracting shall not relieve SCC from any liability or obligation under this Framework Agreement or an Order and SCC shall be responsible for the acts, omissions, defaults or negligence of its sub-contractors, agents or servants as fully as if they were acts, omissions, defaults or negligence of itself.
- 23.5 Nothing in this Framework Agreement or any Order is intended to, or will be deemed to, establish any partnership or joint venture between the Parties, constitute any Party the agent of another Party, or authorise any Party to make or enter into any commitments for or on behalf of any other Party. Each Party confirms it is acting on its own behalf and not for the benefit of any other person.
- 23.6 If any provision or part provision of this Framework Agreement or an Order is or becomes invalid, illegal or unenforceable, it will be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, the relevant provision or part-provision will be deemed deleted. Any modification to or deletion of a provision or part-provision under this clause will not affect the validity and enforceability of the rest of this Framework Agreement or any Order.
- 23.7 No failure or delay by a party to exercise any right, power or remedy will operate as a waiver of it nor will any partial exercise preclude any further exercise of the same, or of some other right, power or remedy.
- 23.8 No variation of this Framework Agreement or an Order will be effective unless it is in writing and signed by the parties (or their authorised representatives).
- 23.9 A person who is not a party to this Framework Agreement or an Order will not have any rights to enforce its terms.
- 23.10 This Framework Agreement and each Order (including non-contractual disputes or claims relating to the same) will be governed by the law of England and Wales. Each party irrevocably agrees that the courts of England and Wales will have exclusive jurisdiction to settle any dispute or claim arising out of or in connection with this Framework Agreement or any Order (including non-contractual disputes or claims).
- 23.11 Neither Party shall export, directly or indirectly, any technical data acquired from the other Party under this Framework Agreement or an Order (or any products, including software, incorporating any such data) in breach of any applicable laws or regulations ("**Export Control Laws**"), including United States export laws and regulations, to any country for which the government or any agency thereof at the time of export requires an export licence or other governmental approval without first obtaining such licence or approval.
- 23.12 Neither Party shall make any press release or public announcement concerning or referring to the other Party or the existence or subject matter of this Framework Agreement without the prior written approval of the other Party.
- 23.13 The Customer shall not use any SCC or Third Party Vendor trade mark or name without the prior written consent of SCC or Third Party Vendor (as applicable) (on a case by case basis). SCC shall not use any trade mark or name of the Customer or any of its Affiliates without the prior the written consent of the Customer (on a case by case basis).
- 23.14 This Framework Agreement or any Order may be executed in any number of counterparts, each of which when executed shall constitute an original of this Framework Agreement/Order (as applicable),

but all the counterparts together constitute the same Framework Agreement/Order (as applicable). No counterpart shall be effective until each Party has executed at least one counterpart.

23.15 All notices that are required to be given under this Framework Agreement or an Order must be in writing in accordance with Clause **Error! Reference source not found.**(b). Notices may be served in the ways and to the addresses set out below or at such other address as the relevant Party may give notice to the other Party for the purpose of service of notices under this Framework Agreement and an Order and, the following table sets out the respective deemed time and proof of service:
